Wheeling lost the last of the Salem rames yesterday afternoon. Bruner hed a fair article of ball, just us and, in fact, as the game Harper twirlfor Salem, but the team back of the man put up about as poor a game in field as they are capable of. Ten ore is certainly not a record to be und of. In the ninth inning Wheeling is a pretty raily and the unpire gave existen that robbed the Nailers of a gibte chance to win out. Eggert and sell had made singles in succession or two were out. Then McCombs. we were out. Then McCombs a hard one to Joyce, who made a bag to catch the throw

### BASE BALL COMMENT.

The Wheeling and Salem teams leave this morning over the Cleveland & Pittsburgh road for Salem, where they play a series of three games this week. Whissen or Morris will pitch for Wheeling and Joyce, who let Wheeling down with two hits on Decoration day afternoon, will twirl for the Salems.

Massillon gets a victory through the disbandment of Coshocton on Tuesday. It is not thought, however, that Mas-sillon gets another by forfeit yesterday,

Bucey will go to Pittsburgh this morning to confer with President Power, regarding Wheeling taking a berth in that organization. It is not yet de-cided, however, that Wheeling will ac-cept the proffer of a place, at least not while the Ohio league prospects are

Manager Starr says he will strengthen the team in two or three places, and insists he will have a sure winner in the Ohio league. The pitchers are believed to be all right, but the infield can be improved in one or two places, and the outfield, too, will stand weeding out in at least one position.

It is said the Coshocton players will be transplanted in East Liverpool before the end of the week. Ohio river water will replace Coshocton beer as an article of drink, and should bring about an improvement in form,

#### BOXING.

Jerry Marshall is putting in his best licks for his contest Monday evening, at Bridgeport, with Oscar Gardner, and if he loses it will not be on account of form. He is down to the minimum form. He is down to the minimum weight now, 126 pounds, and exercises chiefly for his wind. He is training a "Billy" Sherry's place, on South Mair street, with a promising colored mid-dle weight. John Matthews the Balt dle-weight, John Matthews, the Balti die-weight, John Matthews, the Balti-morean, who recently defeated "Black Frank" at Mannington, Though there is a big difference in their weight, Jerry goes after him in their sparring bouls at a rapid gait, and he will be the toughest proposition Gardner has met in a local arena. No matter how it goes it will be a pretty battle.

In a sparring bout yesterday Eddi-Gardner blackened Oscar's eye, getting in return a stiff beating. The two brothers go at it in dead earnest every af-ternoon. Eddie goes on in a prelimin-

ternoon. Eddie goes on in a prelimin-ary Monday night with Chippy Chap-man, of the East End.

Jerry Marshall yesterday accepted the challenge of Henry Mason, of Scott-dale, Pa., and wrote on for further in-formation. formation.

#### BENWOOD.

Breezy News Rems Gathered in the Busy Marshall County Town.

"Pearltown" in red letters on a plain board, with "Old Glory" above, is the atest announcement to passers by that "Old Kentuck" is bound to have that "Old Kentuck" is bound to have that portion of Boggs' run bear his name. Twice was the neat sign he put up several days ago torn down, and finally destroyed, but with his indomitable spirit again he comes to the front with a new sign, and woe be to the native caught tearing it down. The sign incidents are the absorbing topic in Benwood's thriving suburb.

The commencement of the Benwood public schools, June 20, will be held at the M. E. church, and promise to be urusually interesting. There are five the M. Hon, John W. Leach was In Mounds-ville yesterday looking up his fences. He will shortly make an address in Greggsville, this county. Interest in the coming primaries, by the way, is increasing, and it is thought a dark horse may yet spring up in the Repub-lican race for the legislature.

Benwood hasn't organized a base ball club this year yet, though usually it has been represented by a strong aggrega-tion. It is probable the boys will get together before long and organize one.

A roll broke at the lower skelp mill, which started up yesterday, but it will be repaired for a start to-day. Owing to the warm weather, the puddlers are only making three heats.

A number of her friends will attent the West Liberty companies to see

the West Liberty commencement, to see Miss Bertha Riddle graduate. A boating party of Benwood young people will spend this evening at Shadyside, near Bellaire.

### Our American Policy.

Our American Policy.

The policy of this country regarding foreign complications seems likely to remain conservative. The Monroe doctrine, according to the declaration of our leading politicians, will be sustained, but patience and prudence in official quarters will restrain the exuberance of public opinion. The wisest and most prudent course for the rheumatic and the malarious is to use Hostetter's Stomach Bitters, which also cures kidney complaint and dyspepsia. ney complaint and dyspepsia,

for the lungs and so on; as if each particular tymphom was a separate dungeon of misery to be unlocked with its own particular key; but the scientific, experienced physician looks deeper and seeks the one master-key which unlocks them all.

Thirty years ago Dr. R. V. Pierce, of Buffalo, N. V., found the wonderful "Golden Medical Discovery" which has since made him famous: It is the perfect master-key which unlocks every torture chamber of weakness and pain caused by faulty action of the digestive system. It gives the stomach and blood-making glands power to produce the healthy blood which drives out all impure disease germs and waste products, and builds up healthy tissue, solid muscular flesh and nerve energy.
